REMARKS

Claims 1, 3-14 and 27-36 were deemed allowable in the Notice of Allowance mailed July 23, 2004. Claims 38 and 39 have been added. No new matter is added by the amendment, being fully supported by the specification and claims as filed. Specifically, support for newly added claims 33-36 may be found at page 7, line 30 through page 8, line 1 of the specification.

It is noted that the Notice of Allowance includes claim 28 as having been allowed. Applicant respectfully submits that claim 28 was canceled on April 8, 2003 as a result of the Restriction Requirement mailed March 21, 2003, as belonging to a non-elected invention.

It is further noted that the Listing of Claims in the response filed on October 16, 2003 to the Office Action mailed July 15, 2003 (Paper No. 15) incorrectly numbered newly added claims 29-33. Consequently, all subsequently added claims have been incorrectly numbered. Applicant respectfully submits that the Listing of Claims in the present communication reflects the currently pending claims, and that claims 1, 3-14, 27 and 29-37 should be deemed allowable on the Notice of Allowance. Accordingly, Applicant respectfully requests favorable examination on newly added claims 38 and 39.
